

"The Stranger" uses t-Knight as his pawn.

Save the Boy!

"It isn't clear why he has chosen the boy, but it is him you must save."

That monster?, he's no boy! Are you crazy? He is the one that ended my life!

Antonio, I'm suprised at you. Isn't it you who gave shelter and tried to help those discarded youths?

You have nothing to fear.

The creator has blessed you with a second chance!

This boy needs you.

Through all things are possible. Praise be to him!

But, I don't...want..uh? Umm?
YES! Now I see! Yes I will! I will!

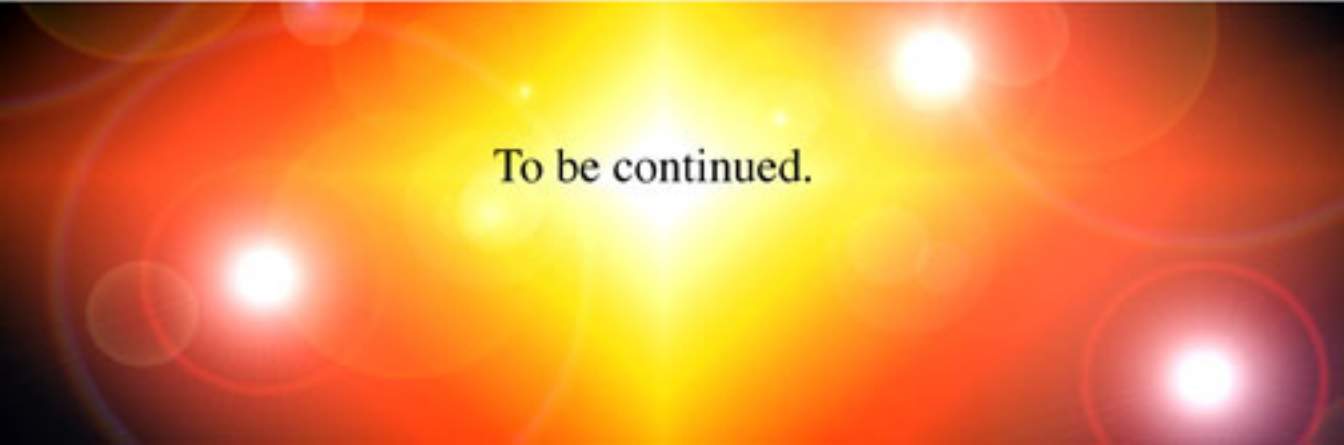

Mother, he has chosen me! But, I'm sad that I have to leave you again.

Nin-yo! haven't you been listening. I never left your side. And I never will.

Farewell, mother! I'll return one day to be with you again. Pray I don't fail!

To be continued.
